

12/12/18

Ethan,

Hope this letter finds you ok.

We got rid of our couch in the camper today & put the Table where the couch was. We bought 2 chairs for the table and bought 2 Storage foot stools to put where the table was. This gives us A big couch area for watching tv.

It gives us more Room in the RV & More Storage area.

We gave the couch to the salvation Army down the street. You now have a huge bed to sleep on. We are going to check out Magnolia Park about 40 miles from here, its suppose to be a pretty neat Park.

The sun came out bright today, almost didn't need a jacket. I'll close for now Mom wants to write. Take care, I love you.

Hi sweetie how are you. I sure miss you. I love you so much. I thank God everyday for allowing me to be your mom. You need to find out how come you didn't get a pay check on Dec 1st. Also are you going to get the plane ticket money back? Also if you get your VBL where do we pick you up at and what time, only one more week. I think you'll get your break at least I hope Well I'll go for now. I love you
